Foreign Trade University

INTRODUCTION ABOUT FTU

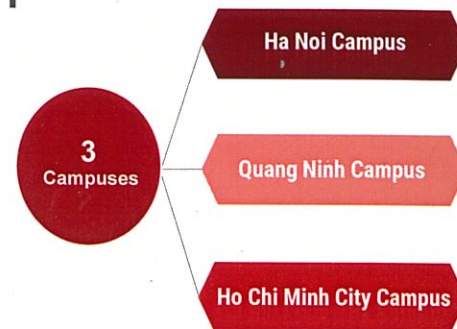

Established in 1960, Foreign Trade University has been a vibrant hub for talented students, professors, and scholars to study, teach, exchange, research, create, and contribute to radically transforming lives and inspiring innovation. With three campuses across the nation, the talented faculties and staff are providing educational opportunities for almost twenty thousand students.

Foreign Trade University has achieved high international renown and standing within a wide range of areas – from economics and business, to law, accounting and auditing, finance, banking and foreign languages. In an international environment at Foreign Trade University, there is an astonishing diversity of flexible and broad-based programs offered in different languages coupled with leadership which nurture and prepare the versatile, creative, socially competent students for an increasingly globalized world.
